The following items are applicable to this modification:CONTINUATION

a. The following are answers to questions that were submitted for this solicitation:

Question: Is the 40,000-ton figure referenced in the base year of the contract a guaranteed delivery if the contract is awarded?

Answer: The Line Item Number referenced identified 25,000 to 40,000 tons is estimated, not guaranteed.

Question: Does soil as referenced in the scope of work include gravel, silt, clay, sand, fines, organic mat and tundra?

Answer: It may contain all types of soils identified.

Question: Can the Army estimate the anticipated moisture content of the POL Soil, and if so what percentage moisture will be the highest anticipated?

Answer: Moisture content cannot be estimated due to the diverse locations and events that may require thermal treatment of soils.

Question: What range are the highest and lowest levels of hydrocarbon contamination in parts per million for the material in this contract?

Answer: From non-dec up to saturated.

Question: According to the GENERAL REQUIREMENTS, Condition 3.5.4. "Treated soils will be returned to the landfill within 45 days of treatment." Regarding soils that do not need to be returned, are there any completion deadlines for thermal treatment and other required paperwork and analytical confirmation data?

Answer: Sampling, analysis and required certifications must still meet the 45 day submittal deadline.

Question: Will the Army require that an existing ADEC approved Facility Operations Plan be in place at time of contract bidding?

Answer: Yes, at time of award.

Question: Will the POL contaminated soil at Fort Wainwright be commingled with any wash bay sludge or non-hazardous tank sludge?

Answer: Yes, it may be.

Question: Will a successful track record for thermal remediation projects in arctic and sub-arctic conditions be required for this project?

Answer: Yes, successful past performance for thermal treatment of POL contaminated soils is required.

Question: Will the Government provide an area at any of the 3 clean up sites for treatment contractors to set their facility to thermal treatment the material?

Answer: The Government will **NOT** provide an area for on-site treatment.

Question: Is there a Bid Bond required for this solicitation?

Answer: A Bid Bond is not required.
